21 Great HR and Workforce Management Newsletters

By Human Times

The world of work is changing at an ever-increasing pace. And so is the range of newsletters, blogs, and podcasts available to support and help propel HR professionals through these turbulent and exciting times.

The Human Times team at Industry Slice have gathered links to some of the best HR newsletters here in one place, so you can browse and see which ones will help you keep abreast of development in your profession and sector.

HR newsletters and blogs are a growth area, so check back here in a few months and you will find more from the latest sources coming on stream. A list of the best podcasts will follow soon.

For the latest HR news, views and intelligence, [sign-up](#) to the Human Times by Industry Slice

1. Workplace Intelligence Weekly

A LinkedIn newsletter by Dan Schawbel, the New York Times best-selling author, Workplace Intelligence keeps readers up to date with the latest trends impacting the workplace.

2. Future of Talent Weekly Newsletter

Focused on talent shortages, diverse talent pools, skills and the talent need of organisations and leaders today.

“The pandemic has illustrated that we need to rethink old assumptions and tap into a more diverse talent pool no matter where people are located.”

3. The Human Times

Thousands of senior HR professionals from the world’s leading companies read the Human Times each morning to stay informed and grow smarter.

The Human Times covers the latest HR and workforce issues, opinion, developments, innovation, and trends.

4. People-First Growth Strategies

“I write this newsletter to keep you up to date on the changes in the way we are thinking about HR, marketing, and growth from a perspective of people over profits.”

5. Work. Shouldn't. Suck

Diversity, anti-racism, fairness, inclusion, safe workspaces, wellbeing and employee health.

“The health of teams and organizations rest on their ability to create and maintain environments where people can do their best work and thrive.”
