

# 10 Must-Read Risk Newsletters to Receive & Risk Communities to Join

---

## Risk Channel powered by [slice](#)

### Risk Channel

Powered by [Industry Slice](#)

Risk Channel by Industry Slice is a daily newsletter which offers the best and most useful coverage of business intelligence and news for risk managers and compliance professionals.

#### Editions:

- Risk Channel North America
- Risk Channel Europe

If you're interested in staying on top of all the latest developments, emerging risks and opportunities, thought leadership and insights from the world of risk in under three minutes each working day, sign up to [Industry Slice's Risk Channel weekday email](#).

2020 showed us how rapidly and radically the risk landscape can change. To help you keep up and position yourself and your organization for the future, our editors at [Industry Slice](#) have gathered some of the best risk resources for you to check in and keep up.

Presented to you in alphabetical order.

## 1. The Brink

Produced by the team at Marsh & McLennan, this newsletter delivers global insights and perspectives on corporate risk and resilience every weekday.

**The Pitch:** "Convening perspectives from experts and industry leaders across the world."

## 2. Dark Reading

If information security is a priority for you this weekly newsletter is pitched as a keyhole into the chaos & mystery of network and data security. A daily newsletter is also available containing news and opinion from Dark Reading's editors and contributors.

### 3. Financial Risk Management Network (LinkedIn Group)

With over 70,000 members the Financial Risk Management Network is full of industry peers managing financial risk, commodity price risks, regulation, and compliance.

### 4. Insurance Journal Risk Management Newsletter

The Insurance Journal has a host of newsletters which would be of interest to risk professionals. In addition to their Risk Management Newsletter, news can be also tracked from areas such as cannabis, cyber, and tech insurance.

### 5. Internal Audit and Risk Management Consultants (LinkedIn Group)

A near 60,000 member LinkedIn group aimed at independent internal audit and risk management consultants who provide out-sourced or co-sourced internal audit and risk services to third parties. Approaching 60,000 members.

### 6. IRMI Newsletters

Free email newsletter for valuable insights. Also, options for special-focus comms on agri-risk, construction risk, alternative risk, directors and officers' risk, and aviation

**The Pitch:** "More than 130,000 risk professionals look forward to receiving practical and actionable strategies and tactics for managing risk; purchasing, selling, or underwriting insurance; or adjusting claims in IRMI email newsletters every month."

## 7. RIMS (LinkedIn Group)

The Risk Management Society's LinkedIn Group has nearly 80,000 members with daily discussion, posts, and advice published in the community.

**The Pitch:** "We equip risk professionals with the strategies and resources they need for success. Training, webinars, podcasts and content on all disciplines of risk management."

## 8. Risk Channel

Risk Channel provides the best risk news, views, and intelligence. Editors scan the global media for the latest developments, crafting all the issues into small summaries. 20,000 risk professionals receive either the North American or European newsletter to start their working morning. Stay Informed. Save Time.

## 9. Risk.Net

Provides a broad range of email updates from the editorial desk at Risk.Net. Daily Emails include the Risk.net Daily, and 7 days in 60 seconds. Weekly emails focus on a host of subject including derivatives, GARP, Libor, and quantum risk.

## 10. SmartBrief on Risk and Compliance

Twice weekly email containing short summaries of risk related articles and links to sponsored content.
